

CFO ADVISORY COUNCIL

STATEMENT OF PURPOSE

The Council seeks to:

- Engage Wake County business executives and Wake County Public School System Superintendent (Tony Tata) in topical discussions and problem-solving activities that can positively impact school district operations and policy.
- Provide a vehicle for Wake County business executives to share their work experiences and exchange ideas with Superintendent Tata regarding operational and financial improvements.
- Create an enhanced pipeline from Superintendent Tata to the Wake County business community on financial matters affecting the school system and increase the business community's knowledge of the school district's financial challenges/opportunities.
- Discuss what resources are needed to enhance the financial operations of the school district.
